General Questions. Please write a brief response (under 150 words) to each question.

1. Why are you running? Why should we vote for you?

I am running for re-election to the Democratic County Central Committee because I believe that with upcoming key elections (e.g. Governor, Attorney General, and some members of the Board of Supervisors), the San Francisco Democratic Party needs to be as strong as possible. I want to play a role in helping to make our Party the strongest and the most effective it has ever been. In my view, that cannot happen unless the Democratic Party is able to reach out to members of certain communities that historically have not been as politically involved as they could be. In particular, I believe it's critical for the Party to reach out to communities of color and immigrants. I have seen it first-hand in some parts of the District I represent, such as the Mission, where many residents feel disconnected from the Democratic Party. I want to play a role in reaching out to those individuals, which is why I would be honored to have your endorsement.

2. What sets you apart from your opponents?

As I indicated above, I believe it's critical for the Democratic Party to be relevant to the diverse communities of our city. I bring the perspective of a gay Latino man, an immigrant, and the only Latino member of the DCCC. I don't believe the Party can be as effective if it is not able to reach to communities of color and immigrants. I believe that with my background and connection to those communities, I can be helpful in registering more Democrats in those communities and making sure they come out and vote in November.

3. Potrero Hill Democratic Club endorses fiscally responsible and socially progressive candidates. Please give examples of why you fit these criteria.

Issues.

1. Do you support or oppose the following Propositions on the June ballot?

Proposition 14 _support _X_oppose

Proposition 15 _X_support _oppose

Proposition 16 _support _X_oppose

Proposition 17 _support _Xoppose

2. Did you support Proposition 8? _support _X_oppose
