General Questions. Please write a brief response (under 150 words) to each question.

1. Why are you running? Why should we vote for you?

I am running because I am committed to increase the civic participation of hard to reach and disenfranchised communities in AD13. I believe that there is a need for grassroots leaders on the DCCC who have hands on experience in their local neighborhoods and can relate those experiences to both political and policy arenas and back to the grassroots. I strongly believe that we need a vibrant and participatory local DCCC to make change in the national party.

2. What sets you apart from your opponents?

I believe I have worked hard in my community to earn a role as a leader, particularly in District 9 and the Latino community.

3. Potrero Hill Democratic Club endorses fiscally responsible and socially progressive

candidates. Please give examples of why you fit these criteria.

I have worked in as a non-profit manager and Executive Director for the past fifteen years. In that time I have learned the importance of fiscal responsibility and transparency. While I do not identify myself in those terms I believe my politics and experience can fit that definition.
