

**Minutes of the Regular Meeting Potrero Hill Democratic Club  
Held November 5, 2013**

- The regular meeting of the Potrero Hill Democratic Club (the “Club”) was held at the Dogpatch Saloon on November 5, 2013. The alternate venue was chosen because the Club’s regular meeting place – the theater at the Neighborhood House - was being used as an Election Day polling place.
- Joni Eisen, president of the Club, called the meeting to order at 6:30 pm local time.
- CCSF Trustee Rafael Mandelman presented his recently proposed Resolution in Support of City College.
- Representatives of BRITE (Bayview Residents Improving Their Environment) discussed their opposition to the proposed renovation/expansion of a homeless drop-in shelter on Jennings St, and their ideas for an alternative site. A proponent of the project was invited but did not appear.
- Ms. Eisen noted that there was not a quorum present for the conduct of business at the meeting. As the agenda for the meeting included the passage of the above resolution regarding the City College of San Francisco, an action that could only be taken in the presence of a quorum of the Club, Ms. Eisen adjourned the meeting.
- Update: An online vote of members conducted later that evening resulted in unanimous passage of the resolution.

Respectfully submitted,  
J.R. Eppler, Secretary
